

REMARKS

The Office Action dated May 26, 2006, has been received and carefully noted. The above amendments and the following remarks are submitted as a full and complete response thereto.

By this Amendment, the specification has been amended. No new matter is presented. It is noted that this application is in condition for allowance except for formal matters, and that prosecution on the merits is closed in accordance with U.S. patent practice under *Ex parte Quayle*. The amendments do not narrow the scope of the claims.

The specification was objected to for failure to contain a reference to Applicants' claim for foreign priority as the first sentence. The Applicants have amended the specification responsive to the objection and respectfully request withdrawal of the objection.

The Office Action indicated that the Applicants had not filed a certified copy of the priority document, Taiwan Application No. 092119638, for which foreign priority is based. The Applicants respectfully submit that a certified copy of the priority document was filed with the application on October 31, 2003, a full copy of which is in the U.S. Patent and Trademark Office Patent Application Information Retrieval (PAIR) system. The Applicants respectfully request that the Examiner acknowledge receipt of the priority document.

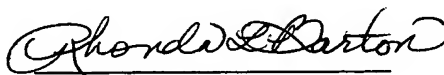

The Applicants wish to thank the Examiner for allowing claims 1-20. In that the specification has been amended and the certified copy of the priority document has been submitted, the Applicants respectfully submit that the conditions of the *Ex parte Quayle* Office Action have been satisfied and that the application is now in condition for allowance.

Accordingly, the Applicants respectfully request the prompt issuance of a Notice of Allowability.

Should the Examiner believe anything further is desirable in order to place this application in better condition for allowance, the Examiner is requested to contact the undersigned at the telephone number listed below.

In the event this paper is not considered to be timely filed, the Applicants respectfully petition for an appropriate extension of time. Any fees for such an extension, together with any additional fees that may be due with respect to this paper, may be charged to counsel's Deposit Account No. 01-2300, **referencing Attorney Dkt. No. 025796-00011.**

Respectfully submitted,
